## The new light and versatile table saw

**1** Introducing the DL-125 electric table saw, your lightweight, robust, and easy to transport tile cutter. It combines power (2.4 HP motor) and portability (only 48 kg), making it ideal for jobs where space is limited. Its wide range of cutting sizes (up to 3cm thick and 135cm long) make it a highly versatile tool.

**2** Its small 125mm disc, coupled with its bridge structure, guarantees precision and efficiency, while its adjustable feet, wheel, and handle make it easy to transport. It also includes a dust reduction system for a cleaner working environment. Perfect for tilers and builders looking for quality and ease of use.
