The Einhell Cordless Compressor TE-AC 18/75 Li OF-Solo is a powerful yet mobile companion in the workshop and garage. With a 5-litre tank, max. 8 bar working pressure and 75 L/min intake capacity, it is versatile in application. The cordless compressor is operated by an 18 V Power X-Change battery and is oil- and service-free, which minimizes maintenance. A pressure gauge, a quick coupling and a pressure reducer facilitate precision work. Thanks to the integrated carrying handle and rubberised feet, it is portable and vibration damped.
