This diagram illustrates the exploded view of a mechanical assembly, likely a pump or engine component. The assembly is shown in a perspective view, with various parts and sub-assemblies labeled with numbers 1 through 21. The main components include a large cylindrical housing (1), a central shaft or arm (2), and a complex internal mechanism (3). The assembly is supported by a base (4) and a mounting bracket (5). The diagram also shows a detailed view of the internal mechanism (6) and a cross-section of the housing (7). The assembly is shown in a perspective view, with various parts and sub-assemblies labeled with numbers 1 through 21. The main components include a large cylindrical housing (1), a central shaft or arm (2), and a complex internal mechanism (3). The assembly is supported by a base (4) and a mounting bracket (5). The diagram also shows a detailed view of the internal mechanism (6) and a cross-section of the housing (7).
