

# Technical data

<b>Screwdriver</b>		<b>IXO</b>
Article number		3 603 JG4 0..
Rated voltage	V $\equiv$	3.6
No-load speed	min <sup>-1</sup>	215
Max. torque, soft/hard screwdriving application according to ISO 5393	Nm	3.0/6.5
Max. screw diameter	mm	5
Tool holder		¼" internal hexagon
Weight	kg	0.35
Permitted ambient temperature during operation <sup>A)</sup> and during storage	°C	-20 to +50
Charging connection		USB
Battery charge time <sup>B)</sup>	h	< 3
<b>Power supply requirements</b>		
Charging voltage	V $\equiv$	5.0
Recommended charging current	A	1.0
Recommended ambient temperature during charging	°C	5 to 35

**A)** Limited performance at temperatures < 0 °C

**B)** Measured with the recommended charging current and the supplied battery
