M12 ONEHPT-202C

M12™ SUB COMPACT FORCE LOGIC™ HYDRAULIC PRESS TOOL WITH ONE-KEY™

- Small, compact & lightweight hydraulic press tool allows for superior user comfort
- With 19 kN of Pressforce the tool delivers an outstanding pressing range up to 35 mm in metal and 40 mm in MLCP composite pipes
- Easy one hand operation allows for work in restricted areas effortlessly
- 180° rotating head gives users maximum flexibility for work in confined spaces
- FORCE LOGIC™ press indicator: provides visual confirmation of a quality connection
- The Tool records & stores every press made. ONE-KEY™ enabled for professional report buildings via ONE-KEY™ app
- Battery-tool communication: pre-press battery check ensures press operation doesn't start to prevent incomplete pressing in case of low charged battery
- 4-step and precise battery status indicator
- FORCE LOGIC™ long life reliability: No press cycle limitation within the 3 year maintenance interval
- REDLINK™ overload protection electronics in tool and battery pack deliver best in class system durability
- REDLITHIUM™ battery pack provides superior pack construction, electronics and fade-free performance to deliver more run time and more work over pack life
- Flexible battery system: works with all MILWAUKEE® M12™ batteries
