POX-S rotation mixer

- Handy and mobile mixer with fixed mixing tool and rotating mixing bucket
- Mixing effect through rotating mixing bucket
- The edge and floor wiper reinforces the mixing effect while preventing material deposits on the side of the mixing bucket
- Highly mobile thanks to compact design and light weight
- A transport trolley is available as an accessory for transporting the buckets, no more hauling necessary
- Ideal for compact and plastic mortar, screed, plaster with grit additive and lean concrete
- The practical assistant for bricklayers, screed layers, gardeners and landscapers, restorers, etc.
