

**Makita**

# 18Vx2 Brushless Pressure Washer

**LXT**

DHW080

**18Vx2 18V + 18V 36V**  
**BRUSHLESS**

# Product Overview

Self-priming function

2 pressure settings

18Vx2 Brushless Motor

50L capacity storage box  
or water tank

Adjust nozzle for narrow  
stream or wide fan

# Product Specification Sheet

- **Self-priming function**– water can not only be supplied from a tap but the storage bucket can be used with the self-suction hose as the water source making it completely cord/hose free, allowing it to be used without any limitations.
- **Adjustable pressure function**– the spray lance has an easy and quick control function allowing the pressure to be easily adjusted by turning the handle, making it perfect for applications that require pressure control.
- **Variety of optional accessories**– providing more convenience for a range of applications.
- **2 modes**– allowing for the most accurate pressure for a wide range of applications.
- **18Vx2 Brushless motor**– 36V of power and runtime without leaving the 18V LXT platform
- **50L storage box capacity**- Water can be drawn from a bucket, not requiring any pressure to fill the unit (max suction head of 1m). The 50L capacity will allow for 12mins runtime on Low and 8 mins runtime on High.

Max Pressure:	8MPa (1160psi)
Regular flow:	Low: 240L/h High: 330L/h
Max Flow:	380L/h
Adjustable Pressure function:	Yes
Overall Length	434mm
Weight (with battery)	7.7kg
Voltage	36V (18Vx2)

## Performance

Maximum Pressure: 8MPa

## Efficiency

Optional attachments are easily changed

## Versatility

Self-priming function allows storage box to become a portable water source

## Convenience

Functional storage box

# Our Range

	NEW – DHW080	HW1200	HW1300	HW140
				
Continuous rating input:	-	1,800W	1,800W	2,300W
Motor:	Brushless	Series	Series	Induction
Max Pressure:	8MPa	12MPa	13MPa	14MPa
Max Flow:	380L/h	420L/h	450L/h	500L/h
Regular flow	Low: 240L/h High: 330L/h	330L/h	360L/h	-
Adjustable Pressure function:	Yes	Yes	Yes	No
Weight:	7.7kg	11kg	12.7kg	26.2kg

Standard Accessories		
	Trigger Gun	197842-2
	Variable Nozzle Set	197822-8
	High Pressure Hose 5m	197845-6
	Self-Suction Hose	197873-1
	Water Hose Fitting	197883-8
	Connector	197881-2
	Cleaning Pin	123660-2

Optional Accessories		
	Wash Brush Set	197822-8
	Rotating Brush Set	197831-7
	Under Body Spray Lance Set	197859-5
	Accessory Joint Set	197853-7
	High Pressure Extension Hose – 10m	197850-3
	Cyclone Guard Set	197864-2
	Twist Prevention Joint Set	197867-6
	Extension Pipe Set	197870-7
	Pipe Cleaning Hose	10m – 197837-5 15m – 197840-6
