40V Max LED Long Distance Flashlight

The 40V Max XGT LED. Long Distance Flashlight (ML007G) delivers bright illumination, versatility, and convenience. The flashlight has 4 modes of operation: Spotlight, delivering 600 lumens, Floodlight, delivering 1000 lumens, Spot/Flood delivering 1250 lumens, and Strobe.

The 40V Max XGT Battery delivers up to 10 hours of continuous illumination in Spotlight mode (when using the 40V Max XGT 4.0Ah battery, sold separately).

The 90° pivoting head provides added versatility, with a durable design engineered for job site conditions.

Product Specifications

HEAVY DUTY BRUSHLESS

Continuous runtime (4.0Ah - BL4040)	Spot Light: 10hrs Flood Light: 10hrs Spot & Flood: 7.5hrs
Luminous flux	Spot Light: 600lm Flood Light: 1,000lm Spot & Flood: 1,250lm
Illuminance (At 1m)	Spot Light: 82,000lx Flood Light: 520lx Spot & Flood: 60,000lx
Overall length	330mm (BL4040)
Skin weight	0.95kg
Weight (with battery)	1.95kg (BL4040)
Voltage	40V Max

- **Battery Capacity Warning Function** – Light automatically dims and a single LED remains illuminated once battery charge starts running low, notifying the user. Allowing time for the user to change the battery before being left in complete darkness.
- **4 Light Output Modes** – By pressing the lighting mode selection button, the flashlight starts up in Spot mode. The user can then choose between spot mode (600lm), flood mode (1,000lm), spot & flood mode (1,250lm) and strobe mode.
- **Rafter Hook** – allows for easy handling and enables for light to be hung or suspended to provide more convenient and versatile lighting.
- **Head swivels 90°** – allows for increased versatility, enabling the user to focus the light at different angles for varying working conditions.
- **Compact Design** – at only 1.95kg in weight with 4.0Ah battery and 330mm in height the ML007G is comfortable for use in extended applications.
- **eXtreme Protection Technology** – designed to endure outdoor working conditions with increased protection against dust and moisture.

High Brightness

Provides powerful long distance lighting, capable of lighting objects up to 640m away

Versatility

Flashlight head capable of swiveling 90°

Durability

XPT – designed to withstand tough jobsite conditions, increasing durability
