TE-AC 430/90/10

Item No.: 4010800

Ident No.: 11018

Bar Code: 4006825642339

The Einhell TE-AC 430/90/10 is a powerful and smooth-running 3,000 W (4.1 HP) compressor with a V-belt drive and low speed plus a 90 l tank. For many applications up to a maximum of 10 bar there is a pressure reducer. A high air delivery rate and long service life are assured by the double compressor unit and oil lubrication. There is a window for checking the oil level. Safety during operation is ensured by a non-return and safety valve, and there is an integrated pressure gauge and a quick-release coupling for regulated working and unregulated tank pressure. Einhell provides a 10-year warranty against rusting through of the tank. For mobility and a secure holding position there are two large wheels and two castors with one locking brake.

Features & Benefits

- High-performance compressor with V-belt drive
- Belt drive ensures low speed and quiet operation
- Long life thanks to oil lubricated pump & high quality components
