Dirt Water Pump

GE-DP 900 Cut

Item No.: 4181550

Ident No.: 21011

Bar Code: 4006825660852

With a power rating of 900 W and a maximum delivery rate of 16,000 liters per hour, the Einhell dirty water pump GE-DP 900 Cut is ideal for pumping off water containing large amounts of foreign bodies. For this purpose the dirty water pump is equipped not only with a cutting unit system for reducing the size of solid contents but also with a 2" hose connection suitable for fitting large-diameter hoses. To cope with high stress, the pump's housing is made of die-cast aluminium and cast iron. A double mechanical seal contributes to a long service life. For comfortable transportation to the point of use and flexible operation, this pump features an ergonomically designed carry-handle. The height of the float switch is infinitely adjustable.

Features & Benefits

- User-friendly transportation with the ergonomically shaped handle
- infinitely height adjustable floating switch
- Double mechanical seal for a long life
- Die-cast aluminium & cast iron housing for heavy duty use
- Cutting unit system for reducing the size of solid materials
- 2" hose connector suitable for large hose diameters

Technical Data

- Mains supply	220-240 V 50 Hz
- Power	900 W
- Max. delivery capacity	16000 L/h
- Max. delivery height	11.5 m
- Max. immersion depth	7 m
- Max. water temperature	35 °C
- Hose connection	59,6mm (2" IG)
- Power cord	1000 cm H07RN-F

Logistic Data

- Product weight	12.8 kg
- Gross weight single packaging	15.3 kg
- Dimensions single packaging	492 x 320 x 300 mm
- Pieces per export carton	1 Pieces
- Gross weight export carton	15.3 kg
- Dimensions export carton	480 x 314 x 290 mm
- Container quantity (20"/40"/40"HC)	672 1344
