Wall Liner

TE-MA 1700

Item No.: 4350740

Ident No.: 21010

Bar Code: 4006825659146

With its powerful motor, the Einhell TE-MA 1700 masonry channel cutter produces accurate cuts and channels with the best results. Maximum flexibility is provided by marking of the cutting wheel position, by infinitely variable adjustment of the cutting depth, and by individual adjustment of the cutting width for narrow and wide channels. Easy operation are assured by a guide roller, an additional handle and a large handle. An overload cut-out, Softstart and drag cutting are further safety-enhancing features. This masonry channel cutter also comes with a spindle lock, an extractor adapter and a 4-meter cable. Delivery includes a storage case and 4 diamond cutting wheels so you can get working right away.
