Rotary Hammer

**TE-RH 32-1600 4F**

**Item No.: 4258508**

Ident No.: 21011

Bar Code: 4006825666601

The Einhell rotary hammer TE-RH 32-1600 4F for drilling and hammer drilling as well as chiselling with and without fixing has a speed electronics, 1600 watts of power and 4.5 J of impact strength. With its pneumatic impact mechanism and 3 m mains cable, the device ensures material and application-oriented work. The infinitely adjustable drill depth stop is made of solid metal. The SDS-plus tool adapter with semi-automatic operation ensures uncomplicated tool change. The vibration-damped handle with softgrip surface is supplemented by an additional handle with ribbing. In this way, the device can be precisely guided. The rotary hammer is delivered in the transport case.

## Features & Benefits

- 4 functions: Drilling/hammer drilling/chiseling with/out fixation
- Simple operation: One position switch for all functions
- Powerful demolition work thanks to high power & impact strength
- Drilling function for drilling in metal, tiles and wood
- Overload slipping clutch for increased user safety
- Soft grip surfaces for safe and comfortable work
- Secure fixation of the additional handle
- Anti-vibration handle for low-vibration work
- Pneumatic impact mechanism for very good propulsion
- Robust SDS-plus tool holder with semi-automatic function
- Speed electronics for smooth drilling and screwing
- Infinitely adjustable drill depth stop made of solid metal
- Delivery in transport and storage case E-Box

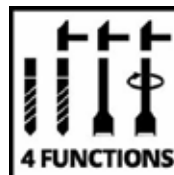

## Technical Data

- |                                 |                         |
|---------------------------------|-------------------------|
| - Mains supply                  | 220-240 V   50/60 Hz    |
| - Power                         | 1600 W                  |
| - Idle speed                    | 0-800 min <sup>-1</sup> |
| - Impact rate                   | 4600 min <sup>-1</sup>  |
| - Impact power                  | 4.5 J                   |
| - Tool holder                   | SDS-plus                |
| - Drilling capacity in concrete | 32 mm                   |
