The Einhell TC-US 350 upright belt grinder/sander has a power rating of 350 W and grinding/sanding belt and grinding/sanding wheel functions. This combination grinder/sander offers a really high removal capacity, making it ideal for major jobs on wood too. The guard hood which is closed at the side provides safety during operation, as do the spark guard window which can be adjusted without any tools. The sturdy and distortion-free design in combination with the large, adjustable work supports is ideal for a wide range of applications – including working on large and wide pieces of wood. Four rubber feet absorb vibrations to ensure a secure standing position. Supplied with a coarse grinding/sanding wheel and a grinding/sanding belt.
